

January, 2009

Vern has been in the financial services industry since 1969.

He started his financial career after college with National Trust. He subsequently moved to insurance and investment advisory services with two of the largest financial institutions where he counseled clients on the implementation of appropriate financial strategies.

Mr. Fauth is the founder and President of Corporate Planning Associates Ltd. in 1973 as well as Fauth Financial Group Ltd., a family financial services business founded in 1990. Fauth Financial Group Ltd. specializes in developing financial strategies for individuals and corporations: "Creating Wealth on Purpose".

He holds the professional designations of CFP (Certified Financial Planner), CLU (Chartered Life Underwriter) and TEP (Tax and Estate Practitioner).

He also sits on several boards for private and public corporations, charitable foundations and institutions.
